Novus Series™ b49  
by bluberi

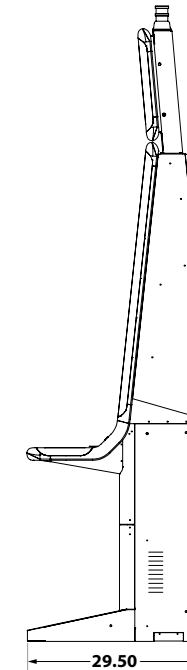

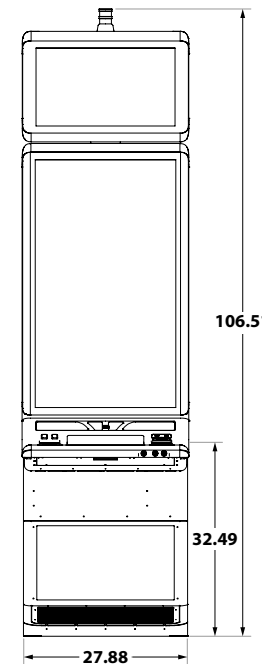

## Novus Series™ b49 by bluberi

The **Novus Series™ b49** is meticulously designed from the ground up with the new Bluberi Spider™ game board, running the state-of-the-art UNITY game engine.

The **Novus Series™ b49** offers unique features that attract and hold players' attention. From the space-conscious banking and carousel options to the truly impressive wraparound screens and intelligent lighting, this revolutionary cabinet will change the way games are played.

- Universal base cabinets with interchangeable display modules.
- Game is extended to the player with the LED Button board.
- 49" Vertical LCD Full HD 4K with Max RGB Color Enhancement.
- Bluberi Novus Lighting System™ with multi-themed programmable settings for attract, game play and wins.
- Novus Topper™ for a more immersive experience.
- Built-in USB charging and player mobile cradle.
