

FIRE. FAMILY. FORTUNE.

Exciting Cash-on-Reels base game featuring Devil's Lock™ DNA. Credit values and prizes are unlocked whenever the Devil lands on the middle reel; with the opportunity of boosted prizes when the evil twins appear. Our infamous rewind feature is also back, turning any losing spin into a potentially big win!

FREE GAMES

Each Devil symbol landing can reward both Pig pots, each granting 6 free games. During Free Games, the Devil stays locked, awarding coin values and prizes with a chance to win additional free games.

MIRROR FREE GAMES

In the base game, when the Devil appears, a Pig may transform into the Unicorn Pig, triggering 6 free games. Double the action unfolds with a mirrored second reel set.

BIG MAMA'S BONUS

Triggered by Devil and Mama symbols, this oversized reel set offers credit prizes, progressives, and blue coins, which hold the potential to transform into Mini or Minor jackpots with multipliers!
