HOLD & SPIN WITH UNLOCKING REELS

Triggered by landing 6+ cash balls. Players **unlock up to five rows** by collecting Hands Up symbols in the center frame. Landing more Hands Up symbols resets the spin counter, while a SHOTS symbol ends the bonus and **randomly boosts a credit prize**.

LUCKY 6 BONUS

The Lucky 6 Bonus is a unique Hold & Spin feature on a 6-reel cylinder with higher credit values and jackpots. When blacked out, the **Lucky 6 Jackpot** is awarded. Active throughout the game, it can trigger from pot fillers in base or free games, or from Lucky Bonus Symbols during H&S.

FREE GAMES

6 Free Games are awarded with chances for additional free spins. Minor symbols are removed, Majors are stacked, and **chances to trigger the Hold & Spin and Lucky Bonus are increased**. Hands Up symbols can be collected for a head start unlocking rows if Hold & Spin is triggered.
