

PRIZES THAT BITE BACK!

Shark's Lock Slice 'n Dice™ expands the Lock game family once again, featuring our favorite Shark character with his new Angler Fish friends in a pirate-themed experience, featuring cash-on-reels, free games, a jackpot wheel, and a unique Hold & Spin bonus.

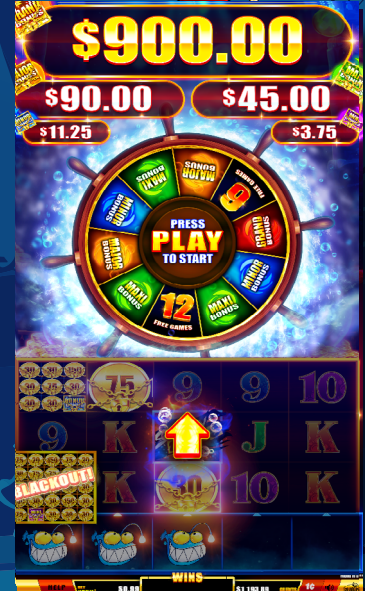

BASE GAME

Cash-on-Reels game featuring our iconic rewind feature and a new **Waterline Reel!** Credit prizes and jackpots are unlocked when the Shark lands on the center reel. In the Free Games, the Shark locks in the center reel for duration of the feature.

WATERLINE

When the **Shark and Angler Fish land at the same time**, the Slice 'n Dice feature is activated. The **Blue Angler Fish activates the Slice 'n Dice feature** for prizes above their respective reels, while the **Red Angler Fish activates ALL prizes!**

SLICE 'N DICE

Each activated credit prize and jackpot **transforms** into a **unique Hold & Spin experience**. The feature starts on a **2x2 grid** that can expand up to a **5x5 grid** after each blackout. If the final grid is blacked out, the **Wheel Bonus** is awarded for a chance to land **Jackpots and Free Games**.
