

MONEY DOES GROW ON TREES!

Shen Shu™ features an Instant Win Row above each reel that collects credit prizes. This unique tree Triple Pot Filler rewards Free Games with three special features to enhance prizes. Players can win features individually or combined in a certain order for an exciting and prosperous gaming experience!

WHEEL POT FEATURE

When a blue coin lands during the Wheel Pot Feature, **a vertical wheel replaces the reel**, and players can spin for jackpots to be added to the Instant Win Row. If the wheel stops on a **NUDGE**, it nudges up or down to award another jackpot.

MULTIPLIER FEATURE

When a red coin lands during the Multiplier Feature, it reveals value between 2X-10X that **multiplies that reel's credit value** in the Instant Win Row. Winning this feature after the Wheel Pot Feature multiplies the jackpot prize.

ADD ALL FEATURE

The Add All symbol (green coin) collects the values from the other four reels and adds the total to the Instant Win above its own reel. **This allows features from other reels to be combined into a higher value prize.**
